N.B. This is a highly competitive programme. Only a limited number of schools participate in the 'Projects' programme, as applied to by outstanding students from 12 countries throughout Central & Eastern Europe.. If you do not qualify for this particular award, we can still find a scholarship place just right for you, both educationally and socially at one of many other partner schools from those at the very top of the academic tree, including those with superb facilities for art, music, sports and will provide the

benefit of valuable social contacts for life ahead. This includes places for those who haven't yet been inspired to gain a high GPA.
